HANNA , NEW ZEALAND

"It was my first trip overseas, first time on a plane also, so very nervous about everything, coming from a rural part of New Zealand, Thailand was very different to what I was used to, it was very fast paced and busy, but not in a bad way, it was amazing to see how people live and manage in a large place, i have nothing bad to say about my trip, I thoroughly enjoyed it

## DELL, AUSTRALIA

I'm still wearing the compression bra, but I've carefully taken a few pics. Can't believe I have cleavage with out a push up bra lol. I am so pleased with my new look. It's exactly what I wanted. I worked hard to lose 20 kgs but lost my breath fullness also so wanted my DDs back and Dr. K gave them to me
